O mundo em que vivemos como  
inspiração

Paisagens são o cartão de visita do  
planeta.  
A beleza natural sempre foi um dos  
principais elementos de inspiração  
do homem, seja na arte, nas  
emoções e na moda.

O A.Bühler foi buscar o conceito  
de *landscape* para levar as pessoas  
a uma viagem sensitiva pelos  
diferentes terrenos e redutos  
exóticos do mundo. Cada lugar  
desperta uma sensação e representa  
um momento da coleção.

*The world we live in as inspiration*

*Landscapes are the planet's business  
card. Natural beauty has always been  
one of man's main inspiring elements,  
whether in arts, emotions or fashion.*

*A. Bühler has found the landscape  
concept to take people on a sensory  
journey through different lands and  
exotic spots of the world. Each place  
arouses a sensation and represents a  
moment in the collection.*

## APRESENTAÇÃO

Os atributos naturais do couro,  
aliados à tecnologia, à pesquisa e à  
moda, resultam invariavelmente em  
artigos com a marca da beleza, da  
sofisticação e da qualidade.  
É essa a filosofia do A.Bühler. Com  
os olhos voltados às tendências  
internacionais, o curtume está  
sempre em processo de reinvenção  
e metamorfose conceitual.

Seguindo essas premissas, o novo  
catálogo também se apresenta em  
nova roupagem.  
Ele está moderno, prático e  
sustentável.

the tannery is always in process  
of reinvention and conceptual  
metamorphosis.*
